

Family Fun

What can you expect on a “family fun” session?

Our activity sessions give families visiting Anglesey & North Wales the opportunity to try something new and exciting, whether it's coasteering, climbing, kayaking, abseiling or another of our activities.

Our sessions allow you to explore Anglesey and Snowdonia whilst giving you the opportunity to spend time with family. Also, during all this you will be getting fitter and stronger and maybe developing the confidence to take up a new hobby or past time. All our courses are run by highly qualified professionals. As well as their profession skills you can be assured all our coaches are friendly and approachable so as well as learning lots you'll be having a laugh doing it! Also, because we are a small friendly company we eliminate problems and fuss. Thus, giving you a smoothly run course and maximising your activity time.
